Joke #1

A middle aged office man went to his doctor as he was not keeping well for quite some time.

After examination, the doctor said, "Oh, you are suffering from High Blood Pressure".

Patient: "You are right, doctor, It comes from my family".

"Your mother's side or your father's side?" asked the doctor.

"Neither" The patient replied, "It is my wife's side".

"How come"! Doctor said.

"How could you get high blood pressure from your wife's side of the family?"

The patient sighed: "Doc, you ought to meet them sometime".

Joke #2

As a pastor was visiting an elderly lady in the hospital he noticed a bowl of peanuts by her bed. He began to nibble the peanuts as they visited and by the end of the visit realized he had consumed the entire bowl.

Feeling badly he bought a bag and brought them to her the next day. As he gave them to her he explained they were to replace those he'd eaten the day before.

"Why you didn't need to do that Pastor", the lady explained.

"The thing is, I don't have any teeth, so when my nephew brings me chocolate-covered peanuts. Well, I just suck the chocolate off and spit the peanuts in the bowl."
